Summary

A results-oriented Senior Software Engineer with over four years of experience in leading the end-to-end development of enterprise-level applications. Proven expertise in .NET technologies, microservices architecture, and project management. Seeking to leverage strong technical skills and leadership abilities in a challenging software engineering role.

Skills

Programming & Languages	C#, .NET Framework, .NET Core, JavaScript, Python, SQL
Backend & API Development	Microservices, REST API
Database Management	PostgreSQL, Typesense, MongoDB
Frontend Development	Javascript, Tailwind CSS, Windows Forms, Shadcn
Methodologies & Principles	Object-Oriented Programming (OOP), Requirements Engineering, Project Management
Tools & Technologies	Git, Continuous Integration/Deployment (CI/CD)
Proficiencies	Frontend, Backend, Full-Stack Development

Experience

Senior Software Engineer <i>01/2021 – Present</i>	GeControl	Campo Grande, MS - BR
---	------------------	-----------------------

- Led the end-to-end development of multiple enterprise-level solutions, including ERP and Salesforce integrations, utilizing C#, .NET Framework, .NET Core, and PostgreSQL.
- Architected and developed a high-performance e-commerce platform using JavaScript, with MongoDB for data persistence and Typesense to power an instantaneous search experience.
- Implemented a robust and secure Single Sign-On (SSO) solution to centralize user authentication across multiple enterprise applications.
- Directed the full product lifecycle, from requirements engineering and managing partner dependencies to software implementation, CI/CD pipeline integration, testing, and deployment.

Education

Bachelor of Computer Engineering (Pursuing) <i>Universidade Federal de Mato Grosso do Sul</i>	Campo Grande, MS - BR <i>01/2020 – Present</i>
---	---

English Proficiency Certification <i>Wizard by Pearson</i>	Campo Grande, MS - BR <i>01/2012 – 12/2019</i>
--	---

- Completed all modules, from the "Kid's series" to the "Proficiency Series," achieving fluency in English.

Languages

- **Portuguese:** Native
- **English:** Fluent (Advanced reading, writing, and conversational skills)
