Summary

Results-driven Senior .NET Backend Developer with over five years of experience leading the end-to-end development of enterprise-level applications. Proven expertise in .NET technologies, microservices architecture, and project management. Seeking to apply strong technical and leadership skills in a challenging software engineering role.

Skills

| | |
|---------------------------------------|---|
| Languages & Programming | C#, .NET Framework & Core, JavaScript, Python, SQL |
| Backend & API Development | Microservices, REST API |
| Database Management | PostgreSQL, Typesense, MongoDB |
| Frontend Development | Javascript, Tailwind CSS, Windows Forms, Shadcn |
| Methodologies & Principles | Object-Oriented Programming (OOP), Requirements Engineering, Project Management |
| Tools & Technologies | Git, Continuous Integration/Continuous Delivery (CI/CD) |
| Proficiencies | Frontend, Backend, and Full-Stack Development |

Experience

| | | |
|--|------------------|---------------------------|
| Senior .NET Developer <i>01/2021 – Present</i> | GeControl | Campo Grande, MS - Brazil |
|--|------------------|---------------------------|

- Led the end-to-end development of multiple enterprise-level solutions, including ERP and Salesforce integrations, using C#, .NET Framework, .NET Core, and PostgreSQL.
- Designed efficient PostgreSQL queries, reducing data retrieval time by 40%. Also utilized non-relational databases for improved performance and scalability.
- Spearheaded the integration of purchasing, sales, finance, and other modules, supporting 2000+ daily active users.
- Managed the complete product lifecycle, from requirements engineering and partner dependency management to software implementation, CI/CD pipeline integration, testing, and deployment.

Education

| | |
|---|---|
| Bachelor of Science in Computer Engineering (In Progress) <i>Universidade Federal de Mato Grosso do Sul</i> | Campo Grande, MS - Brazil <i>01/2020 – Present</i> |
|---|---|

| | |
|--|---|
| English Proficiency Certification <i>Wizard by Pearson</i> | Campo Grande, MS - Brazil <i>01/2012 – 12/2019</i> |
|--|---|

- Completed all modules, from the "Kid's" series to "Proficiency," achieving fluency in the language.

Languages

- **Portuguese:** Native
- **English:** Fluent (C2: Advanced reading, writing, and conversation)
